

“Stubborn Love” by the Lumineers

F am F C
 She'll lie and steal and cheat, she'll beg you from her knees

F am G C
 She'll make you think she means it this time

F am F C
 She'll tear a hole in you, oh one you can't repair

F am G C C
 I said I love her I don't even care

BRIDGE:

F C am G
 When we were young, oh-owo-o we did enough

F C am G
 When it got cold, o-o-o-o we bundled

F C am G C C C
 I can't be told, a-a-a-a it can't be done

VERSE 2:

F am F C
 It's better to feel pain, then nothing at all

F am G C
 The opposite of of love is indifference

F am F C
 So pay attention now, I'm standing on your porch screaming out

F am F C
 And I won't stop until you come downstairs

CHORUS: F C G am (last line hold am for 2)

So keep your head up my love X4

VERSE 3:

F am F C
 So I don't blame you dear, for running like you did for all these years

F am G C
 I would do the same you'd best believe

F am F C
 The highway signs say we're close, but I don't read those things anymore

F am G C C
 I never trusted my own lies

CHORUS:

F C am G
 When we were young, oh-owo-o we did enough

F C am G
 When it got cold, o-o-o-o we bundled

F C am G C C C
 I can't be told, a-a-a-a it can't be done

CHORUS: F C G am

So keep your head up my love X8
